HIDDEN SPRINGS RV RESORT
601.876.4151

Description:

This heavily wooded resort lies on the banks of the Bogue Chitto River, one of the most popular recreational zones in the Mississippi-Louisiana area. Set amidst towering red and white oaks, elm and magnolia trees, our shaded, sunny, grassy, sandy, or riverfront sites can accommodate the needs of everything from camper vans to luxury RVs, in a peaceful, nature filled setting amongst diverse wildlife such as deer, turkey, squirrels, and raccoons. The resort boasts several natural springs which are

complimented by two outdoor pools. There are many activities to choose from including concerts and hosted dinners from time to time. There are three rustic cabins and a trailer available to rent, in addition to our RV sites. Whether you'd
